

# Ryan Samuel Hoffman, MD

## Educational Information

- 1997 – 2001      Jefferson Medical College  
Medical Degree  
Philadelphia, Pennsylvania
- 1993 - 1997      Haverford College  
B.S. Biology with a concentration in Biochemistry  
Haverford, Pennsylvania
- Summer 1995      The University of Pennsylvania  
Classical Physics I and II  
Philadelphia, Pennsylvania
- 1989-1993      The Meadows School  
Las Vegas, Nevada  
• National Merit Scholar

## Post Graduate Training

- 2006- 2009      Resident in Plastic Surgery  
Department of Plastic, Reconstructive, and Cosmetic Surgery  
University of Illinois at Chicago  
Chicago, Illinois
- 2002-2006      Resident in General Surgery  
Department of Surgery  
Lankenau Hospital  
Wynnewood, Pennsylvania
- 2001-2002      Intern in General Surgery  
Department of Surgery  
Lankenau Hospital  
Wynnewood, Pennsylvania

## Medical Licensure and Boarding

- 10/2006-present      Boarded by the American Board of Surgery  
2007-present      State of Illinois, MD 36115604  
State of Pennsylvania, MD 422651

## Work Experience

- Summer 1999      Precepted in office of Carl Williams, MD FACS  
• Observed plastic surgery and attended office hours
- Summer 1998      Student researcher in the laboratory of Charles Brenner, PhD at Thomas  
Jefferson University  
• Performed genetic experiments related to the Fhit gene
- Spring 1997      Teaching assistant for Haverford College Biology 300b "Laboratory in the  
Biochemistry of Proteins and Nucleic Acids"

- Summer 1996                    Howard Hughes Medical Institute Scholar Summer Research Program in Biochemistry at Haverford College
  - Performed genetic experiments in Chlamydomonas
- Summer 1994                    Intern in the office of Congressman James Bilbray (NV) in Washington, D.C.
  - Bill drafting and researcher
- 1990-1993                      Precepted in office of Dr. Edward Hoffman
  - Observed and performed history and physicals in family practice setting

**Professional Organizations**

- 2009-present                    American Society for Reconstructive Microsurgery, Candidate Member
- 2006-present                    Resident Member American Society of Plastic Surgeons
- 2006-present                    Member American Society of Maxillofacial Surgeons
- 2001-present                    Member American College of Surgeons

**Committees and Organizations**

- 2008-2009                      UIC COM Mentors Program Resident Mentor
- 2003-2005                      Member-at-large Lankenau Hospital House Staff Committee
- 2002-2003                      Vice President of Lankenau Hospital House Staff Committee
- 2003                              Member of Main Line Health Physician Council
- 2003                              Member of Lankenau Hospital Operating Room Committee
- 2003                              Resident Member of Committee for installation of radiology PACS system
- 1997-2001                      Campaign coordinator and public relations director for State Assemblywoman Merle Berman
  - Grass roots chairman and volunteer leader for three terms of a winning state campaign
  - Crafted bills during session and advised on testimony for legislative hearings
- 1998-1999                      Co-Chair of the AMA Surgical Observation Committee
  - Coordinated surgical observation for 1<sup>st</sup> and 2<sup>nd</sup> year students
- 1997-1998                      AMA Freshman Class Representative
- 1994-1997                      Real Estate Salesperson at ASF Realty
  - Received real estate license 1994

**Honors and Awards**

- 2009                              3<sup>rd</sup> Place Illinois Society of Plastic Surgeons Chief Resident Paper Competition

2003	Lankenau Hospital Surgical Resident Teaching Award
2002	The Wilson Colby Engle Award (Award for top surgical intern)
1997	Graduated from Haverford College with Honors in Biology
1995	Howard Hughes Medical Institute Scholar at Haverford College

### **Poster Presentations/Abstracts**

May 2009	Hoffman R, Cohen M, Reisberg D, Osseointegration Implant Retained Prosthesis for Facial Reconstruction: A 19 Year Experience, <i>Illinois Society of Plastic Surgery</i> , Chicago, Illinois
April 2009	Hoffman R, Morris D, Patel P, Zhao L, Practical Application of Cone-Beam CT in Planning Facial Skeletal Surgery, <i>Midwestern Association of Plastic Surgeons</i> , Chicago, Illinois
January 2009	Hoffman R, Patel P, Management of 2 <sup>nd</sup> Deformity after Cranial Vault Remodeling in Nonsyndromic Craniosynostosis, <i>Senior Residents Conference</i> , Austin, Texas
May 2008	Hoffman R, Cohen M, Reisberg D, Osseointegrated Implants for Orbital Reconstruction, <i>Midwestern Association of Plastic Surgeons</i> , Chicago, Illinois
October 2007	Hoffman R, Grevious M, Morris D, Fat Grafting to the Hand after Ulnar Nerve Repair, <i>ASPS</i> . Baltimore, Maryland
May 2007	"Fat grafting to improve soft tissue form following ulnar nerve injury" <i>Midwestern Association of Plastic Surgeons</i> , Chicago, Illinois
February 2004	Hoffman R, Lo Menzo E, Schnall R, Ureteral-iliac artery fistula: Endovascular approach to an uncommon problem. <i>Southeastern Surgical Congress</i> . Atlanta, Georgia.
November 2002	Hoffman R, Lo Menzo E, Uribe A, Acute Superior Mesenteric Artery Embolism after Diagnostic Coronary and Renal Artery Angiogram: A Case Report and Review of the Literature. <i>American College of Surgeons</i> . Wyomissing, Pennsylvania.

### **Grand Rounds Presentations**

May 2009	"Tendon Transfers" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
January 2009	"Forehead and Scalp Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
July 2008	"Soft Tissue Anatomy of the Head and Neck" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
February 2008	"Liposuction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery

December 2007	"Eyelid Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
October 2007	"Local Flaps for Head and Neck Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
August 2007	"Reconstruction of the Head and Neck with Pedicled Flaps" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
April 2007	"Breast Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
January 2007	"Free Flaps in Head and Neck Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
September 2006	"Lower Extremity Reconstruction" UIC, Department of Plastic, Reconstructive, and Cosmetic Surgery
October 2005	"Reduction Mammoplasty," Lankenau Hospital, Department of Surgery
July 2004	"Abdominoplasty and Repair of the Abdominal Bulge," Lankenau Hospital, Department of Surgery
November 2003	"Case Reports in Plastic Surgery," Lankenau Hospital, Department of Surgery
May 2003	"Breast Reconstruction Options after Mastectomy," Lankenau Hospital, Department of Surgery
March 2002	"Endovascular Abdominal Aortic Aneurysm Stenting," Lankenau Hospital, Department of Surgery

### **Publications**

Hoffman et al, "Osseointegration in Extraoral Rehabilitation: The Chicago Experience, 19 years in Review" abstract accepted, 2nd International Symposium Bone Conduction Hearing – Craniofacial Osseointegration
